OUR LYFE / YOUR LIFE

Lyfe RV15f Hybrid - Bunk Model

"Family owned business manufacturing
Australian off road caravans & hybrid RVs."

LYFE RV15f Hybrid - Bunk Model

As you step into family Lyfe, you probably end up asking yourself "how is the family to fit in?" The answer simply is face to face family seating, rear end bunks which converts to a couch and 4 double glazed windows and fly-mesh ventilation all round, the pop top skirt providing plenty of natural light and ventilation. Our passion is to cleverly create private and cosy spaces for both adults and kids in a small footprint.

Effortless set up with the automated pop top, along with ample storage and internal combination bathroom. For your creature comforts in Lyfe, diesel heating and hot water, air conditioning, and smart tv, are ticked on the list whilst just naming a few.

A large awning covers the outdoor entertainment area, showcasing a fully appointed stainless steel kitchen and pantry, slide out large dual zone fridge/ freezer and functional front toolbox with weber slide. You will have ample power for extended off grid enjoyment, boasting solar panels, lithium batteries and inverter with full monitoring system.

The Lyfe RV 15f Hybrid Bunk Model is designed for off road, off grid living with all elements covered. We ensure the highest quality, solid construction using composite panels for walls and roof and honeycomb floor. It is mounted on a hot dipped galvanised chassis made locally from Australian steel. The undercarriage is second to none, allowing confidence and reliability for off road adventures.

WE HAVE YOU COVERED, WHERE YOUR VEHICLE GOES, LYFE WILL FOLLOW
OUR LYFE / YOUR LIFE
