## Lyfe RV17 Hybrid - Pop Top

Our Lyfe RV17 Hybrid is a perfect couples hybrid offering a combination of solid and sturdy build, comfortable and spacious with all road versatility. If life on the road is calling you, enjoy it in style for weeks at a time, not just a couple of days... with your own sophisticated off road, off grid, dual axle narrow bodied hybrid. For a true 'home away from home', all appointments are delivered with the highest quality, thought and detail; to provide you with exactly what you need.

Effortless set up with the automated pop top, along with ample storage, good bench space and spacious internal combination bathroom. For your creature comforts in Lyfe, diesel ducted heating and hot water, air conditioning, microwave, fridge/freezer, and smart tv, are just some of the features on a long list of what others consider 'extras'.

4 double glazed windows and fly-mesh ventilation all around the pop top skirt, provides plenty of natural light and ventilation.

A large awning provides a covered outdoor entertainment area, showcasing a fully appointed stainless steel kitchen and pantry (indoor/outdoor access), slide out large dual zone fridge/ freezer and functional front toolbox with weber slide. Solar panels, lithium batteries and inverter with full monitoring system will ensure that you have ample power for extended off grid use and enjoyment

The Lyfe RV17 Hybrid is designed for off road, off grid living with all elements covered. We ensure the highest quality, solid construction using composite panels for walls and roof, and honeycomb floor which is mounted on a hot dipped galvanised chassis made locally from Australian steel. The undercarriage is second to none, providing the strength and reliability for your off road adventures.
