Family owned business manufacturing
Australian off road caravans & hybrid RVs.

Lyfe RV17f Hybrid - Bunk Model

Dreaming about a family getaway but need a home-away-from-home? Welcome to our Lyfe RV17f Hybrid - Bunk Model.

This dual axle, narrow bodied off road and off grid hybrid is pure sophistication with all the luxuries you have at home. Including a comfy queen size bed, mounted TV, fans, USB ports, and sidelights. The bunk beds will have your kids sleeping in comfort being 750mm(W) x 1850mm(L), each with pockets and pigeonholes for the kids' books and toys, and a window for the kids to take in the views. To ensure plenty of natural light and ventilation enter your van, you will find zippered flaps on the pop top skirt, all with fly mesh to stop unwanted visitors. Raising the pop top is easy with a hydraulic air system that is operated at a push of a button.

The interior of the Lyfe RV17f Hybrid has been well considered to allow for maximum storage and comfort. Clever use of nooks, hanging cupboards, long bench seating with removable swivel table, and a spacious internal combination bathroom are some of the design features you will love. Comfort is important in your home-away-from-home which is why we include a diesel heater and an air conditioner, meaning you stay warm on your winter adventures and cool during the summer.

One of the features that sets Lyfe RV apart is the external stainless steel kitchen. It boasts a cooktop, large slide out dual fridge freezer, storage for pots and pans, BBQ slides, and a double-sided party that is accessible internally and externally. Once you have finished cooking you can sit back and relax under the large awning that provides shelter from the elements. The Lyfe RV17f Hybrid was made for off grid use. It comes standard with 3x250W Solar panels, 600ah lithium batteries and inverter with a full monitoring system will ensure that you have ample power for extended off grid adventures.

This van will have you ticking off your wish list and more; featuring comfort, quality, attention to detail, little extras, convenience, space, and ample storage inside and out. We only use the highest quality products, solid construction, roof & wall composite panels. A honeycomb floor mounted on a hot dipped galvanised chassis made locally from Australian steel will ensure that the undercarriage is second to none, providing strength and reliability for your off-road adventures.

WE HAVE YOU COVERED, WHERE YOUR VEHICLE GOES, LYFE WILL FOLLOW

OUR LYFE / YOUR LIFE
