## Lyfe RV19f Off-Road - Triple Bunk Model

Family owned business manufacturing  
Australian off road caravans & hybrid RVs.

# Lyfe RV19f Off-Road- Triple Bunk Model

Welcome to our Lyfe RV19f Off-Road – Triple Bunk Model. This dual axle, narrow bodied, off road and off grid compact caravan is offering all the mod cons and guaranteeing, you will not miss ‘home’!

How many kids? No problem, we have you covered with generous size triple bunk configuration with beds measuring 750mm (W) x 1850mm (L). Let’s tick off your list: comfort, quality, convenience of space and storage, and a few hidden little extras which will keep both adults and kids satisfied.

Our Lyfe RV19f Off-Road – Triple Bunk model boasts four large, double-glazed windows and three small windows at the bunks. Fitted with a club lounge for the whole family to have meals or play board games. Other internals include, clever use of nooks, hanging cupboards, overhead storage, and a spacious internal combination bathroom. Everyone will stay warm and cosy with diesel ducted heating or turn on you air conditioner and relax. Listen to music through stereo system.

Our kitchen is full of pleasant surprises such as 152lt compressor fridge freezer, rangehood with LED lighting, portable induction cooktop, microwave, and indoor /outdoor panty access. If Al-fresco is more your style, the large awning provides a covered outdoor dining and entertaining area. A fully appointed stainless steel kitchen, ample storage, 96litre slide out dual zone fridge freezer and BBQ slides in the front storage box. The side lockers offer plenty of space for all the family chairs and tables, the kids play toys and dad’s tools and equipment. We know how important it is to have a ‘home’ for everything.

On the technical side, Lyfe RV19f – Triple Bunk comes with solar panels, lithium batteries and a powerful inverter with a full monitoring system, ensuring that you have ample power for extended off grid use. Two 110litre fresh water tanks and one grey 110litre water is securely mounted to the undercarriage with protection covers for handling the rough roads. We pride ourselves by only using the highest quality products, a solid construction with composite panels for the roof and walls. A honeycomb floor, mounted on a hot dipped galvanised chassis, which is locally made from Australian steel, will ensure that the undercarriage is second to none, providing strength and reliability for your off-road adventures.
