Lyfe RV19 Off-Road- Compact Caravan

Our Lyfe RV19 Off-Road, a fully composite compact caravan, exudes luxury, comfort and class. If life on the road is calling, you can do it in style for extended periods with this impressive off road, off grid narrow bodied caravan. All appointments are precisely what you need, delivered with thought and detail, as you would expect, in a product of this calibre.

With the impressive layout of the internal space, you have convenience of a kitchenette and dining area, queen bed, an oversized combination bathroom, washing machine and large fridge. And for your creature comforts in Lyfe, diesel ducted heating and hot water, air conditioning, microwave and smart tv, just to name a few.

A large awning covers the outdoor entertaining area, showcasing a fully appointed stainless steel kitchen and pantry, slide out large dual zone fridge/freezer and functional front toolbox with bbq slide. You will have ample power for extended off grid enjoyment, boasting solar panels, lithium batteries and inverter powered by a Battery Management System.

The Lyfe RV19 Off-Road is designed for off road, off grid living with all elements covered. We ensure the highest quality, solid construction using composite walls and roof, and honeycomb floor. Mounted on a hot dipped galvanised chassis made locally from Australian steel. The undercarriage is second to none, allowing confidence and reliability for off road adventures.
