Family owned business manufacturing  
Australian off road caravans & hybrid RVs.

# Lyfe RV19f Off-Road - Double Bunk Model

Welcome our Lyfe RV19f Off-Road – Double Bunk Model. This dual axle, narrow bodied, off road and off grid compact caravan is the perfect choice for families who love the outdoors, with a practical and spacious layout, solid build, and high-quality appliances.

The cleverly thought out layout of the Lyfe RV19f Off-Road – Double Bunk model ensures both adults and children have their own private spaces, storage, fans and USB Ports. The bunk beds measure 750mm (W) x 1850mm (L) whilst the adults have the comfort of a full-size Queen bed. Our Lyfe RV19f Off-Road – Double Bunk Model will have your tick off list covered: reliable, high quality, functional, ample storage and space, and a few hidden little extras which will keep both adults and kids satisfied.

Our Lyfe RV19f Off-Road –Double Bunk Model boasts four large, double-glazed windows and two small windows at the bunks. Fitted with a club lounge for the whole family to have meals or play board games. Other internals include plenty of storage, a spacious internal combination bathroom, stereo system, TV, diesel hot water and ducted heating, and air conditioning. The kitchen is full of pleasant surprises such as 152litre compressor fridge freezer, rangehood with LED lighting, induction cooktop, microwave, and indoor /outdoor pantry access.

On the outside, the large awning provides a covered outdoor dining and entertaining area. A fully appointed stainless steel kitchen, ample storage, 96litre slide out Dual Zone fridge freezer and BBQ slides in the front storage box – these are some of the features that will have you loving outdoor living with the Lyfe RV.

On the technical side, Lyfe RV19f – Double Bunk comes with solar panels, lithium batteries and a powerful inverter with a full monitoring system, ensuring that you have ample power for extended off grid use. The water tanks are securely mounted to the undercarriage with protection covers for handling the rough roads.

We pride ourselves by only using the highest quality products, a solid construction with composite panels for the roof and walls. A honeycomb floor, mounted on a hot dipped galvanised chassis, which is locally made from Australian steel, will ensure that the undercarriage is second to none, providing strength and reliability for your off-road adventures.
